

# CENTRAL WEIGHTS AND MEASURES ASSOCIATION

## Event Sponsorship Policy

**Purpose:** To establish a policy for sponsorships at CWMA events.

**Background:** At one time, individual companies attending CWMA conferences would co-sponsor an annual outing in conjunction with the CWMA Annual Meeting.

Additionally, CWMA has accepted, and even solicited, sponsorships for the Chairman's Reception at the Annual Meeting. Such event funding could be characterizing as an attempt to influence the voting membership on key issues.

### **Policy:**

1. CWMA will not solicit or accept sponsorships for meetings or special events held in conjunction with any of our meetings.
