3. JURISDICTIONS			
Check as many of the following jurisdictions as you wish to be registered in. These states impose separate registration requirements and may require additional exams. You are responsible for meeting all registration requirements and obtaining information packets/test materials prior to the scheduled test dates. For those testing in Michigan, all fees must be paid prior to taking the exam or it will not be graded. Michigan will not process any applications without copies of all certification of standards.

CWMA Uniform Registered Service Persons Application

4. TERMS

The applicant acknowledges that he/she must possess proper standardized equipment for performing work on commercial weighing devices as required by NIST Handbook 44, applicable Examination Procedure Outlines (EPO's) and that said standards are traceable to NIST. The applicant further agrees to provide proof of said traceability along with this application. The applicant further acknowledges that a grade of 70%, except Michigan which requires an 80% score to pass, is required to become registered in each competency area.
